What is a Virtual Office Hour call & how does it work?

A Virtual Office Hour call offers you a **dedicated time and space to ask questions and have group discussions.**

The aim is to:

- Be a supporting & participatory platform,
- Share your experiences and learn from others,
- Develop an FAQ.

VIRTUAL OFFICE HOUR

A few “house rules”

Please rename (under Participants) to have your full name and organization.

Put yourself on mute when not taking part in discussions.

But please do feel free to use your camera even when not speaking.

Use "speaker mode" to help focus your attention.

Resist the urge to multi-task and be prepared to engage!

Are you ready?

We hope you've got some questions and experiences ready to share but just in case, here's a reminder of our topic so you can start thinking about them...

Natural Capital Protocol Training

Through this series of videos you will be asked to take the role of a sustainability or strategy representative and decide where your company should make its next acquisition. It will walk you through the stages of a natural capital assessment, asking the same questions that are relevant to any business decision: *why, what, how, and what next*.

Whatever your sector, the natural capital approach taken in this example, and the questions it raises, will be relevant to you.
